**ADDENDUM NUMBER 2**

**Measure TT Program for Pasadena Unified School District**

TO: PROSPECTIVE BIDDERS REGARDING PREQUALIFICATION FOR MAJOR PROJECTS

This addendum forms a part of the Prequalification Documents and modifies the document(s) dated May 17<sup>th</sup> 2012. Submission date and time remain the same: **June 15<sup>th</sup>, 2012 @ 3:00PM**. Acknowledge receipt of this Addendum in the space provided below and return with your prequalification statement. Failure to do so may be subject to Bidder disqualification.

**QUESTIONS FROM PROPESTIVE BIDDERS:**

**Question:** Would a Contractor would be disqualified for a Termination for Cause or a no-fault Termination for Convenience?

**Answer:** The prequalification package does not distinguish between termination for convenience and termination for cause. Pursuant to the criteria in the package, any contractor who has been terminated by any school district or other public agency on any project for a school district or other public agency within the State of California within the past five (5) years would not be eligible for prequalification. Any contractor who timely files an appeal can challenge the District's decision regarding prequalification by following the appeal process outlined in the May 17, 2012 Notice to Prospective Bidders Regarding Prequalification for Major Projects Measure TT Program."
